## LIQUID RING VACUUM PUMP

### 2WSK SERIES

#### Introduction

Series 2WSK liquid vacuum pumps own the features of high vacuum and better applicability. When suitable actuating medium or sometimes pumped medium can be chosen as actuating liquids, the series pumps almost can pump all industrial gases. Aforesaid pumps own the features of reposefully operation, low noise and less than 30 percent of energy consumption compared with water vapour jet vacuum pump. So the liquid ring pumps can be widely used for chemical, light, food, medicine, paper making and electric utility industries etc.

#### Technical Data :

Model	Ultimate Pressure		Pumping Speed m <sup>3</sup> /min	Rotary Speed r/min	Cooling Consumption L/min	Water Inlet Diam mm	Outlet Diam mm	Motor Power kw	Weight (Kg)
	hpa	torr							
2WSK-1.5	33	25	2	2900	20	35	30	4	185
2WSK-2	33	25	2	1450	25	40	40	5.5	200
2WSK-3	33	25	3	1450	30	50	50	7.5	320
2WSK-6	33	25	6	1450	35	50	80	11.0	370
2WSK-12	33	25	12	0980	70	80	80	22.0	850
2WSK-20	33	25	20	0980	80	100	100	37.0	900
2WSK-25	33	25	25	0980	80	100	100	45.0	926
2WSK-30	33	25	30	0980	90	100	100	55.0	1300
2WSK-42	33	25	42	0740	100	100	100	75.0	2100
